Thor

I am the god THOR,
I am the war god.
I am the Thunderer!
Here in my Northland,
My fastness and fortress,
Reign I forever!

Here amid icebergs
Rule I the nations;
This is my hammer,
Mjollnir, the Mighty;
Giants and sorcerers
Cannot withstand it.

- Longfellow.

Dedication

We, the THOR Staff, with deep appreciation proudly dedicate the 1966 THOR to Miss Lucille Coumes, former sponsor of THOR.

Miss Coumes is a very dedicated English teacher who has always taken an interest in the students she teaches. She is always willing to offer assistance in any way possible to her students and the school. We appreciate her sincere dedication to her work and to her students.

Life at N.H.S.

The hustle and bustle of students in the halls between classes, on the grounds at recess, and in the streets after school, is a familiar sight around Northside. From the arrival of the first bus in the morning until the last one departs in the afternoon, everyone is just one big happy family. Life at N. H. S. is similar to that at home. Someone is always watching over you to be sure you don't do anything wrong.

As you turn through the pages of THOR, see how you fit in!

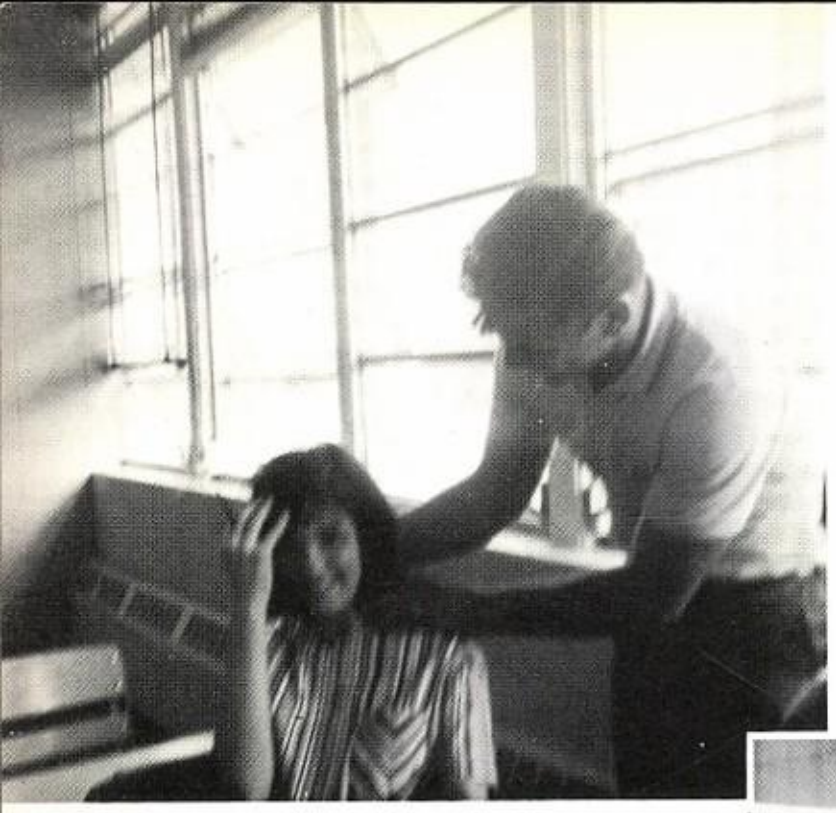
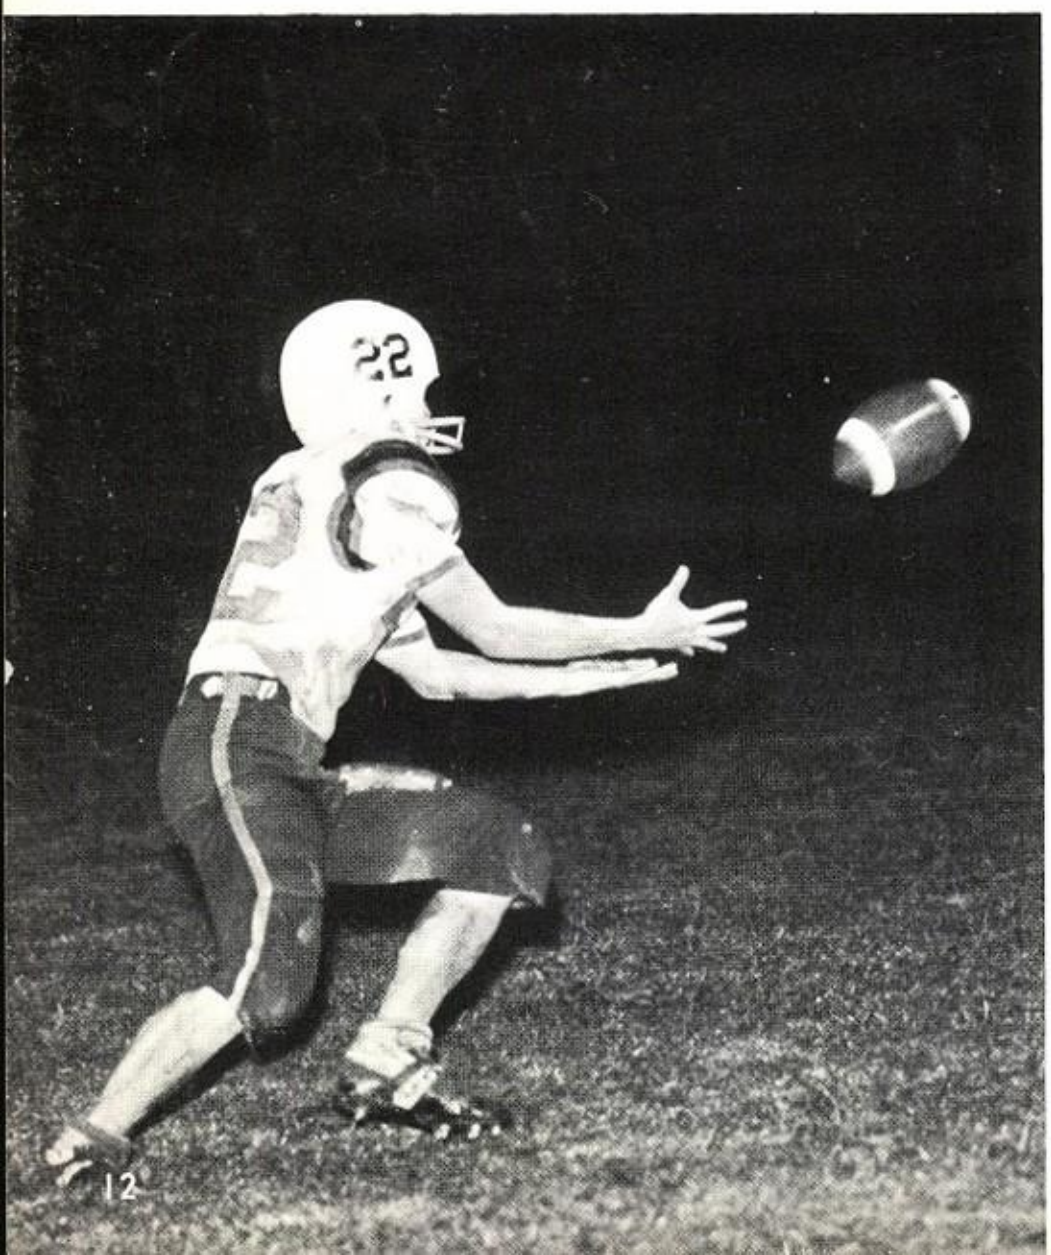
Winning and Losing



Sandra Strong is happy over her selection as Student Council president.

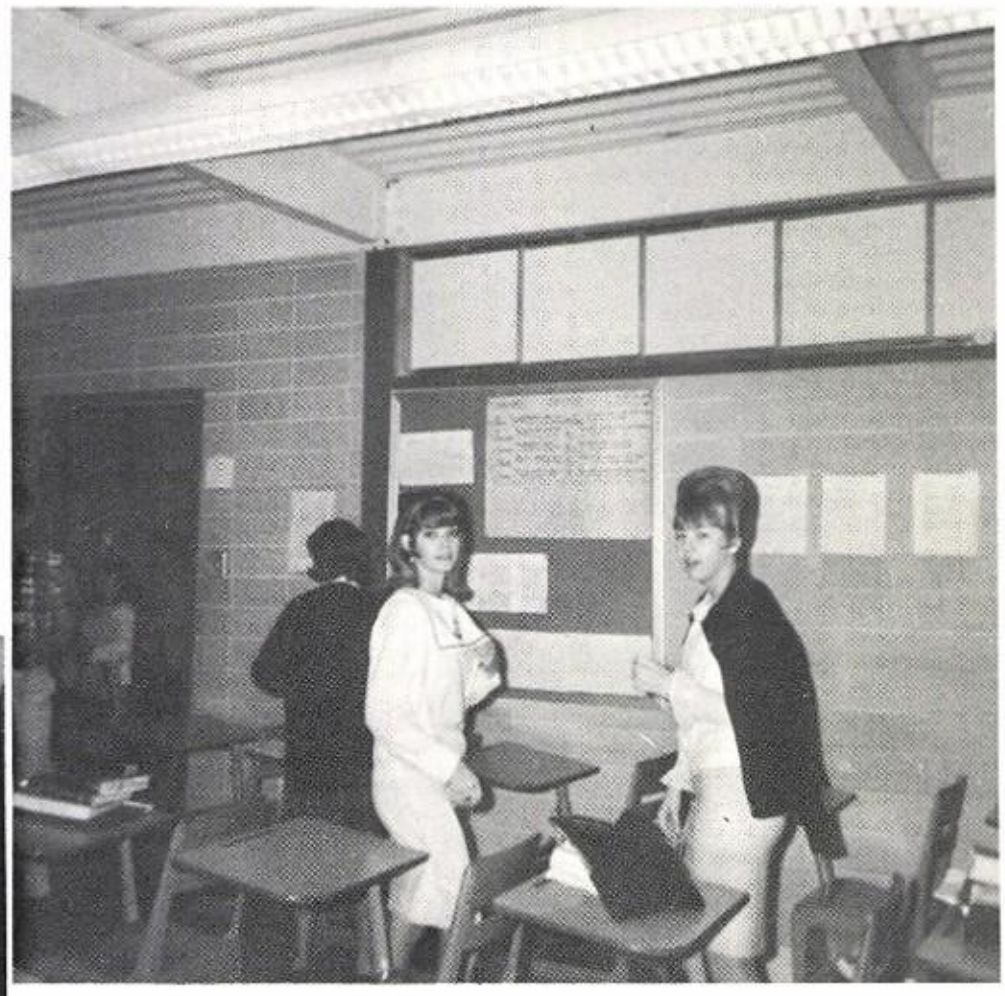
Our school trophy case shows our many winnings.

Our football season is one of winning and losing.



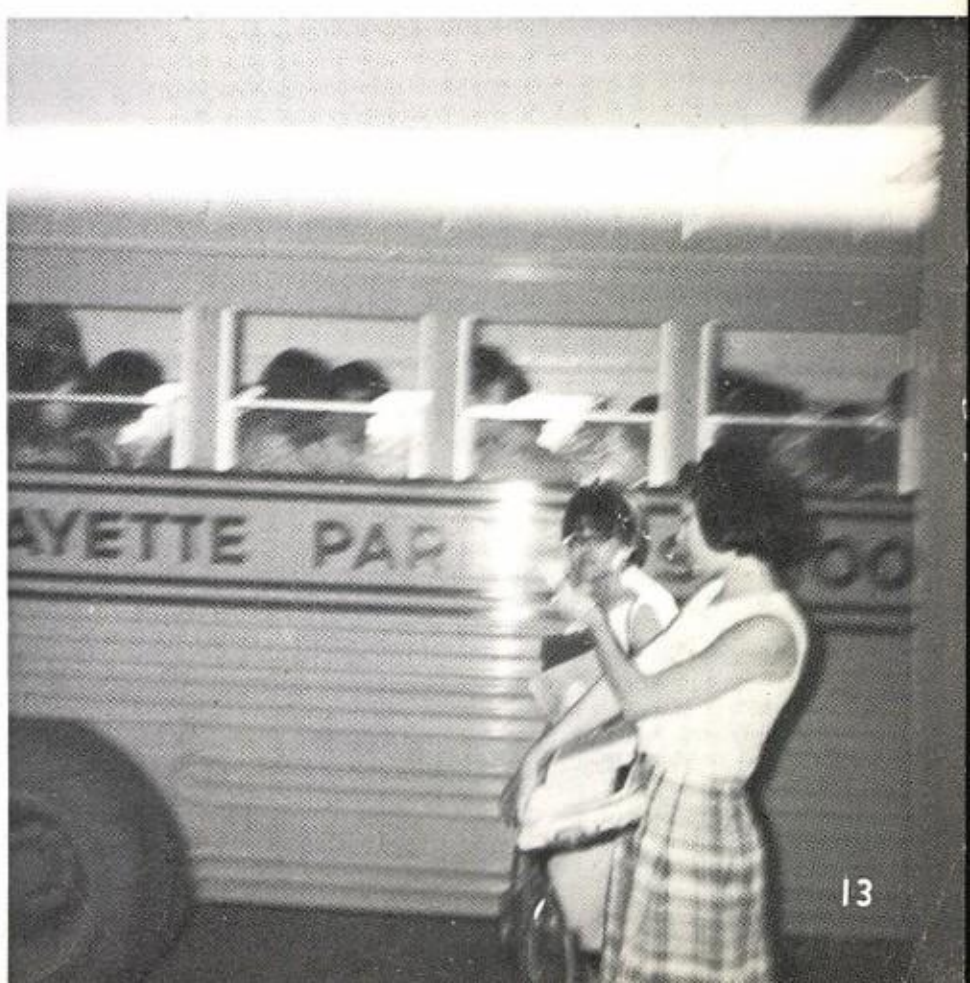
These happy girls smile happily upon winning title of first and second maids in our homecoming activities.

Beginning and Ending



The end of swimming class is always a disappointment.

School comes to an end.



Secretary of the Day

Whereas, Northside High School has been blessed ever since its beginning with a capable secretary, and whereas today she has been designated "Secretary of the Day" by Radio Station, K P E L, and whereas she has with efficiency and cheerfulness performed the many exacting duties for the office, and whereas her loyalty to the faculty, student body, and other personnel has been exemplary, and whereas her christian charity has been an inspiration to the entire school, therefore be it resolved that, today, May 6, 1966, be observed at Northside High School as "Mrs. Lena Mae Cormier Day."

Faculty

Wise Leadership Developes

During the fifth year as principal of Northside, Mr. Faulk brings about many new and valued innovations. Raising the standards of Northside and acquiring the respect of its students is a hard task; yet Mr. Faulk has accomplished both. We, as students of Northside,. are grateful for his dignified and wise leadership.

A familiar sight in the halls of Northside is Mr. Duhon, assistant principal. Well-known for his understanding, Mr. Duhon wins the affection of the students of Northside. A staunch backer of the Vikings, he is indeed an asset to our school.

Much credit goes to the N. H. S. Band this year. The members of the band tirelessly work to make each year the biggest year ever. Activities for the band start in August with band camp and marching practice. Their hard work is evident in the excellent half-time shows which they present during football season.

The highlight of the year comes when the band takes a trip to Six Flags Over Texas. On the way the band plays concerts in various places.

Cheerleaders

Much of the atmosphere surrounding our school is based on the program and planning done by us. We start planning our program at cheerleader camp at Lamar Tech in Beaumont, Texas. We have on display in the trophy case three first place ribbons, one second place ribbon, and our second place trophy in senior division. Probably our most treasured accomplishment is the "SPIRIT STICK!"

Key Club

Key Club International is the fastest growing service club in North America, with a new club formed each day. The Northside Key Club itself, made up of the "key" boys in the school, is growing larger and more efficient. They are not letting the grass grow under their feet. Project upon project is successfully completed for the benefit of our school, community, and churches. Key Clubbers through their experiences have learned to serve humanity unselfishly and develop into good citizens of the future. Of the twenty-two members, nine Key Clubbers are on the Student Council, many are athletes, and four are presidents of school clubs. On the serious side, Key Clubbers learn to put spiritual objectives before material needs. On the lighter side, they enjoy fellowship and good times together which they will always remember.

Strive for Proficiency

Future Teachers of America

The FTA Club is a very industrious and hard-working club. It works hard during the year to help the school and community in any way it can.

During the year, they sell do-nuts before school. They also help the needy children around Christmas time by collecting old toys to give to them. They also give a Teacher's Tea during American Education Week to show their appreciation to the faculty of Northside.

Around April, all of the members, look forward to convention. All year they acquire points, and the top 15 members are chosen to attend convention. Running a candidate for a state office always makes convention much more exciting. This year the president, Sandra Strong, ran for the office of State Treasurer. The club and school are very proud of her victory.
